Marcie Tooth
Great Western Containers
328 Dawson Road North
Winnipeg, MB
R2J 0S7

Dear Marcie,

On behalf of the Children's Wish Foundation Manitoba & Nunavut Chapter, I wish to extend a huge thank-you to Great Western Containers and all of its dedicated employees for the generous donation that was raised through your 50/50 raffle.

We are pleased to announce that your donation will help grant the wish of five-year-old Kaden from Winnipeg. This courageous little boy has been battling a severe kidney disorder his entire life and is now recovering from a kidney transplant. He loves theme parks, water slides and ice cream so it's fitting that his wish is for a trip to Disney World!

We could not continue granting wishes without the generous support of companies like Great Western Containers. Your devotion to our cause and compassion for those in need is very apparent, and we appreciate your support tremendously.

Thank you for helping create the magic of a wish!

Sincerely,

Lisa Harrison
Fundraising Coordinator
The Children's Wish Foundation
